

2017 AUGUST HOT TOPIC

THURSDAY, August 17, 2017

2:00-3:30pm

Developing Effective Crisis Plans from a Trauma Informed Care Perspective

Presented by

Kristine Nehring, Psy.D., Chief Psychologist

Department of Community Programs

Participants will:

- Understand what is trauma.
- Understand how traumatic experiences can impact an individual's response to a crisis situation.
- Understand what role "triggers" play and how to respond.
- Learn strategies to formulate an effective crisis plan.
- Understand when to utilize additional crisis services.

Agnesian HealthCare Plaza Level Conference Center

430 E. Division Street, Fond du Lac, WI

(The conference center is adjacent to the St. Agnes cafeteria, The Creekside Café.)

1.5 Hours of Integrated CME credit will be available for live participation in this presentation.
