School), Melissa Hayes (PBIS), Dan Hebel (Boys & Girls Club), Sharon Hilbert (Community Member), Kathy Jensen (FHS Psychologist), Lauren Martin (DSS), Laura Rau (Parent), Julie Rehfeldt (FHS Social Worker), Karissa Schneider (Boys & Girls Club), David Wiltzius (Delta Center), Kelsey Westerveld (Family Resource Center)

Excused: Ryan Scheel (Boys & Girls Club)

Topic	Major Point Discussed	Resolution and Action Required	Assigned to	Due Date
Introductions	<ul style="list-style-type: none"> • Welcome • All Members introduced themselves to the group • 	<ul style="list-style-type: none"> • 		
Debrief Parent Nights	<p>IEP Parent Night:</p> <ul style="list-style-type: none"> • canceled due to low registration and weather • Sherry is interested in rescheduling this year or next • Conversation: maybe wait until next year and advertise during open houses, parent newsletter, • Still target elementary level? yes • but can still open up to middle and high school because may have parents that have been going through process but really don't understand it all • October? with save the date at registration • district calendar – deadline around July 25 or 30 <p>PBIS Parent Night:</p> <ul style="list-style-type: none"> • went really well • 10 parents – started connecting pieces of positive • lots of questions and got into it • connected PBIS in school to how to be more safe, responsible, and respectful in the home • what do each of those mean? • skits were a hit • involved BGC kids and FHS kids in video making process • showed school video about what PBIS looks at Parkside school • tried to connect the dots between home and school • evaluations were all positive • talking about this at Roberts – could each elementary school offer this? • FRC may consider offering it again 	<ul style="list-style-type: none"> • Laura will develop flyer • Julie call Sherry and Pier and Rosenow (Katie M.) Parent to Parent groups • Laurice will find out about registration <ul style="list-style-type: none"> • Look into offering at elementary schools – Kathy Jensen and Roberts • External coaches talk to schools about offering presentation 		
Celebrations	<ul style="list-style-type: none"> • Thoughts • PBIS is a huge success- all schools are trained in at least universal level • Getting more involved in community events: National Night out Lights on afterschool • Outside district collaboration: BG Club and DSS Shelter Care and Galow Group home - 	<ul style="list-style-type: none"> • Jen & Julie will develop a format for this & take to 		

	<ul style="list-style-type: none"> • success at Club: universal enforcement of rules, always been difficult to have consistent enforcement between staff but PBIS referral system is a little more black and white: this behavior falls under this slip, be safe, respectful, and responsible has become a mantra for club; not just something that we say we actually do! • site managers come to meetings: look at data and problem solve; get together and talk about how to reinforce and manage behaviors • staff very accepting & jumped on bandwagon • double digits is good: got out of home & came for their kids • parent engagement is tough • dads were there, not just all moms • • Areas of focus: Parent involvement, pro-social behaviors, PBIS 			
Sustainability	<ul style="list-style-type: none"> • Looking at all the things that we want to continue • what can be sustained the way things are now and what needs support and planning in order to be sustained • Parent engagement is one of those things & will probably take on a new look in the next couple years • brainstorming: K4 have certain hours that have to be parent contact hours, connecting with and maximizing with BGClub, hooking up with other initiatives: <ul style="list-style-type: none"> • specific task forces? • In meantime: • if we stay as is: there is a value in changing from engagement to education • about topics or anything that is related to • parents are more likely to get info if it is constantly there, they can take things as they • maybe not be so concerned with #s at session • how to gauge success? • try something new? • feel like we are more capable of getting something accomplished • if getting things out there then we are more likely to see parents coming in for concerns • lay out for school year what is going on and giving this info to parents – use avenues • tailor our message to what's going on and who audience is – what are top 5 things we want people to take away • have not tapped into daycares yet; issues are starting younger but they also service school age • example: videos available at child development days • what is the definition of parent engagement? • bullying – curriculum at schools, education piece, - how to tackle bullying issue as a community • right people at table? 	<ul style="list-style-type: none"> • 		

	•	No formal meeting on May 18		
Next Meeting	Agenda Items: • • •	Wednesday, May 18, 2011 8am – 9am @ Franklin Building
