

In-Home Referral Resources:

The mental health wraparound program can be accessed by calling the children's referral line at the county: 920-929-3919 and select Children's Long-Term Care Services.

Fond du Lac County has an in-home therapy team and they also contract with Lutheran Social Services for in-home here in Fond du Lac. FDL County in-home or LSS can be accessed by calling the referral line above to be screened for Wraparound.

Shorehaven has serviced Fond du Lac for in-home therapy as well and here is the link:

<https://www.shorehavenbhi.com/pub/about/locations.html>

DSS for a POCAN referral can be reached at 920-929-3400. POCAN is an acronym for Promoting Opportunities to Care and Nurture. POCAN services are designed to strengthen families, enhance child and family development, promote positive parenting practices and link families with appropriate resources and community services.
