June 21, 2019

Greetings! Comprehensive Service Integration (CSI) of Fond du Lac County's ([www.csifdl.org](http://www.csifdl.org)) Destination Zero initiative is organizing a Warrior Summit which will be held on October 18<sup>th</sup>, 2019 in Fond du Lac, Wisconsin. The focus of this summit is on improving the emotional and spiritual well-being of veterans and their families. With a keynote on Soul Injury and breakout sessions featuring the lived experiences of veterans and those who support them, the Warrior Summit aims to inform clinical professionals, social service organizations, faith communities, and the general public about the unique needs and strengths of veterans and their families, as well as provide information about the various programs, treatments, and services that exist to support them.

Over 8,000 Fond du Lac County residents have served in the military, and more than 88,000 veterans live in northeastern Wisconsin, so it is likely that your organization employs or serves these individuals and their families – whether you are aware of it or not!

We are reaching out to share the different ways you can be involved in this important event and invite you to provide support in whatever way is right for you. We are offering exhibit table space so that attendees can become better acquainted with available resources and area organizations that serve veterans and military families. You can also choose to have an ad in the conference program or sponsor the event at a variety of levels. By doing so you will receive exposure in the community and join other individuals and organizations who wish to promote the mental health and well-being of veterans and their families. Please see the following page for exhibit table and ad pricing, as well as details about the sponsorship levels. The online form is located at [www.csifdl.org/warriorsummit](http://www.csifdl.org/warriorsummit).

Community sponsors are an important source of funding for this event and will help ensure that the registration fee is as affordable as possible for participants. It is our intention to provide full scholarships for all veterans as well as those who would otherwise be unable to attend.

We also welcome you to show your support by attending the Warrior Summit and learning alongside other community members. More information about this event can be found at [www.csifdl.org/warriorsummit](http://www.csifdl.org/warriorsummit). Please contact Tammi Kohlman at [kohlmant@fonddulac.k12.wi.us](mailto:kohlmant@fonddulac.k12.wi.us) or (920)906-6527 with any questions.

We thank you for your support and look forward to hearing from you.

Sincerely,

Fond du Lac Warrior Summit Planning Team
